DOM Search Committee Report

Servants in Christ,
 I hope and pray that each of you is having a blessed day and week. The DOM Search Team has decided to send out a survey to all of the LRBA churches to gauge where the churches see the association at as well as the role the new DOM will play in the progression of our association. We are asking that each of the Pastors will use this survey with the other members of your church's leadership team to discuss our association and the future and hope that you see God has lain out for us. We feel like the inclusion of each church's leadership team will broaden the reach of the association in our churches as it will help you to deepen the knowledge of the association, its work, its history, and its future within your church and overall in the association. We ask that you would submit one copy of this survey per church back to Mrs. Shari at the association office by March 1, 2019. You may email your response to her, or drop off a written copy to her at the office. This survey will be anonymous and used by the DOM Search Team as we plan our process forward with candidates to feel the role as DOM/AMS for our association. If you have any questions, you can respond to me directly at the phone number below or by email at pas-tor.nichols@bellsouth.net, or you may contact Mrs. Shari and she will get your questions to the search team. We will respond to your questions as fast as possible to not hinder any discussions in your church leadership team.

Please continue to be praying for your search team as we seek God's will for our association, the man that He has chosen to lead our association in to the future, and most of all the glorifying of our Lord and Savior Jesus Christ through our service on this team.

God Bless,
 Bro. Steven Nichols, Pastor New Hope Baptist Church
