

The Way is excited to host an "Experiencing GOD Weekend (EGW) For Teens" (Middle and High Students) on Friday March 22nd (6-10 PM) and Saturday 23rd (Noon to 10 PM). The Weekend will be filled with opportunities to "Experience GOD" through discussions, activities, worship, fellowship, fun, and food designed to help students examine their walk with CHRIST (or lack of same) and seek to find and/or draw closer in a relationship with the SON of the LIVING GOD!!!

Our desire would be to have a wonderful mix of both churched and unchurched students which would not only bless the weekend, but could lead to unchurched students building peer relationships which would lead them to join local churches. Your Students and Youth Leaders are welcome and wanted to attend and add "salt and light" to the event. In addition to local leadership we also need individuals to help serve in prayer room and kitchen. An "Ice Cream Supper" will start the program on Friday Night and both noon and evening meals provided on Saturday by The Way. If Churches could bring a few desserts/snacks (brownies, cookies, etc.) it would be appreciated.

The EGW Team of 25 plus young adults will be led by Adam Ross (son of Webb Ross who has led adult weekends in Churches throughout Kentucky and beyond for nearly 20 years) and Charles "Smitty" Smith. There will be a Praise and Worship Band on site. Weekend Coordinator/Liaison for The Way is Shelley Crawford.

Attached are both Leader and Participant Guides for your review. Please make your Churches aware of the event; especially students and their leaders. Registration forms will be emailed upon request.

For more info, please call Shelley (after 4 PM) at 350-6238 or Carl at 498-1933.
