January 2018 Edition

*From Your
 Director of Missions*

We sit on the cusp of a new year, and if I am honest I feel like I was just saying the same thing about 2017, but here we are with another year that has come and gone. I am so thankful to have been able to serve as your DOM over the past two years and I must confess that as we move into 2018 I feel like there is so much left to do. The more time that passes the more I see the words of Christ in Luke 10:2 to be true, "the harvest is plentiful but the laborers are few therefore pray earnestly to the Lord of the harvest to send laborers into his harvest." Lets work while we have time and prepare for 2018 to be the greatest yet because if we don't next year we will be talking about how things could have been. I don't want woulda, shoulda, coulda, I want us to come to the end of 2018 and say "look at what the Lord has done." In 2018 I want to be a part of a move of God, let's be a part of it together.

**Enjoying God,
 Paxton**

Church Security Training

Following the recent shooting incident at a Texas church, as well as previous incidents, there is much concern about church security and the safety of our members. Little River Association will be hosting a church security training session led by Karl Erickson, retired Green Beret and Special Deputy for the Trigg County Sherriff's Department. The training will be for all churches that would like to attend, and will be held here at Little River Baptist Association building. Please share this opportunity with your church, and surrounding churches.
