January 2018 Edition

From Your Moderator

2019, let that sink in for a moment, (2019). Time sure has flown by in my life time and yours also. All I can think about is what God said in **James 4:14** “...For what is your life? It is even a vapor that appears for a little time and then vanishes away.” You know we are one day closer to eternity today than we were yesterday. So with that said, are we living our lives in a God-centered way or a Self-centered way? Every day we have a choice to make, even before our feet hit the floor. How will we live today? As you are most-likely still putting away your Christmas decorations, don’t forget about the Christ you just celebrated with your everyday life. Let’s live more for Christ this year than we did in 2018. Because who knows, besides God, this may be the last year we have to serve. My prayer is that God, if He returns for us individually this year, or he calls His church home, finds us faithful in doing His work and bringing glory to His name.

Brazil Mission Trip 2019

In October of 2014, on a church building trip with Edgewood Baptist Church, I fell in love with the people of Brazil. From the moment our plane landed in Nashville, I longed to go back. With great pleasure and the intent of planning a 2019 mission trip for Little River, I went back on a second building team in January of 2018. While I was there, Jorio and I planned a church building and evangelism trip for January of 2019. With your support, we have raised enough money for our team: Cassie Crick, Matt Kaczmariski, and myself to build a church in the city of Coivaras, Piaui, where there are currently no evangelical/Baptist churches. We would like to thank everyone who has supported us in our fundraising efforts! We would also like to encourage you, your families, and your churches to be in prayer for the city and people of Coivaras! A piece of my heart will always belong to Brazil, and now, thanks to you, the impact of this trip will endure throughout eternity! One of the best parts of the trip, beyond building a physical church, is the ability to build the Church through partnering with amazing brothers and sisters in Brazil! Once again— thank you for your generosity and your generosity and your heart for the Kingdom!
