July 2022 Edition

Considering our Nation's birthday, instead of me sharing my thoughts. I thought I might share, or in some cases remind, some of you of the "wise" words of a much better speaker than I. Paul Harvey... remember him? Some of you will. Paul Harvey was descended from five generations of Baptist preachers. He had a popular radio show back in the day. He passed away in 2009, before he did, he left an icon of a message to the world on the ways of the devil...

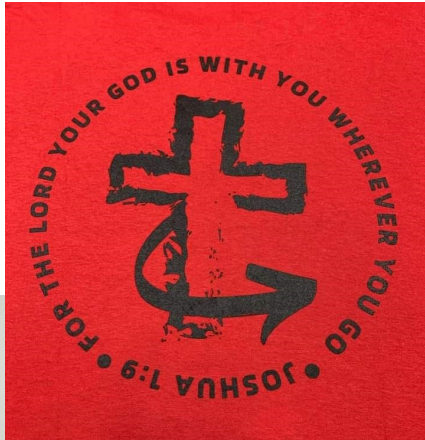

If I Were the Devil

I would gain control of the most powerful nation in the world;
I would delude their minds into thinking that they had come from man's effort, instead of God's blessings;
I would promote an attitude of loving things and using people, instead of the other way around;
I would dupe entire states into relying on gambling for their state revenue;
I would convince people that character is not an issue when it comes to leadership;
I would make it legal to take the life of unborn babies;
I would make it socially acceptable to take one's own life, and invent machines to make it convenient;
I would cheapen human life as much as possible so that the life of animals are valued more than human beings;
I would take God out of the schools, where even the mention of His name was grounds for a lawsuit;
I would come up with drugs that sedate the mind and target the young, and I would get sports heroes to advertise them;
I would get control of the media, so that every night I could pollute the mind of every family member for my agenda;
I would attack the family, the backbone of any nation; I would make divorce acceptable and easy, even fashionable. If the family crumbles, so does the nation; I would compel people to express their most depraved fantasies on canvas and movie screens, and I would call it art;
I would convince the world that people are born homosexuals, and that their lifestyles should be accepted and marveled;
I would convince the people that right and wrong are determined by a few who call themselves authorities and refer to their agenda as politically correct;
I would persuade people that the church is irrelevant and out of date, and the Bible is for the naive;
I would dull the minds of Christians, and make them believe that prayer is not important, and that faithfulness and obedience are optional;
I guess I would leave things pretty much the way they are.
In the words of Paul Harvey: Good Day!

In Christ Service,

Bro. Bobby
