August 2017 Edition

From Your Director of Missions

I hope that you are still buckled up because the ride is not over. Things have been a whirlwind for me and I am sure that they have for you as well. God has been using the people of Little River churches and I am here to tell you that he is not through yet. I get excited when I hear about people seeing God move in their lives, and I get even more excited when I see people with a desire to see God move in a mighty way in our community. Let me tell you both of those things are happening right now, God is moving in the lives of people and many have a great desire to see Him move in our community. So not only do I say that the ride is not over, but it's not even close, jump in where God is at work and be a part of something great.

PS Speaking of something great don't forget our senior fellowship at Belews on August 17th. Call and sign up we want you to be there.

Enjoying God,
Paxton
