**August 2018 Edition**

**From Your  
Director of Missions**

Seeing God at work never gets old. This summer has been a blessing to me because I have been able to see God at work first hand and I have also been able to see and hear the reports of others who have been able to see that work as well. This has happened in many different ways from regular church services, Vacation Bible Schools, and mission trips. God has been on the move this summer and He is not done yet. There are still things taking place in our association this summer and I cannot wait to hear what God does there. As we get ready to move into back to school mode I pray that we don't move into routine and comfort in our churches, instead lets continue to ask God to move in our midst. We have seen Him move mountains and we have seen him make a way where there was no way, so join me in praying, "Lord, Do It Again!" For His Glory and for our good!

Paxton**
