**February 2017 Edition**

*From Your  
Director of Missions*

It's hard to believe but January 2017 is almost over and about 11 months from now so will this year. Time is flying by and if you are not careful this year will pass and you will miss out on opportunities that God has placed in front of you. So my encouragement for you is simple, DO IT! If God has placed something on your heart or if you have an opportunity to serve Him, do not let it pass you by. Take the initiative, start something, but whatever you do don't just let things pass you by. I wrote last month that 2017 was filled with potential, don't look back on this year and see what could have been. Instead, let's get involved in what God is doing and do something great for His Glory.

Enjoying God
