March 2017 Edition

*From Your
Director of Missions*

We have all heard the saying, "putting up a good front" and truthfully at different times I am sure we have all done just that, whether it was at school to impress the teacher or at work to not get in trouble with the boss or maybe even on a first date. My point is that it is almost as if many folks are living two different lives, one that people see and then another that people don't see. It is really easy to fool people because they only see the outside or what you let them see and that's what they judge by. I was reminded while reading the sermon on the mount this morning that Jesus is not as concerned with the outside as he is with our hearts. In fact he encourages us to do positive things in secret knowing that he is the only one who will see, talk about the opposite of putting up a good front. Let's work hard to let the inside match the outside and not do things so that people see but remember Matthew 6:4 "Your Father who sees what is done in secret will reward you."

Enjoying God

"He answered, "Love the Lord your God with all your heart and with all your soul,. Love him with all your strength and with all your mind." And, "Love your neighbor as you love yourself."
Luke 10:27 (NirV)
