September 2017 Edition

*From Your
Director of Missions*

I am looking forward to our annual meeting with great excitement. I know that this year the annual meeting is coming with some changes. Ill be honest, I know that some people don't like seeing things change, but let me tell you why I am so excited about this. Imagine all the churches of our association coming together for a night of worship. I don't think that anyone would be against our churches having a huge combined worship service, and that is the focus of our annual meeting this year. I want this time to be a focused time of worship. We will have a very short business session but the bulk of our time will be worship and preaching. We will also have a special guest missionary that I can't wait for you to hear about. Trust me, you don't want to miss this. It's going to be amazing.

**Enjoying God,
Paxton**
