August 2026 Edition

Better Together

So thankful for the ministries of Little River Churches. The phrase I started with when I came here was “*Better Together.*” This past month of July has proven that even more with Camp Cadiz and our newest ministries of hiring Summer Interns to work with our churches for the months of June and July. Below you will find two letters from Ms. Ella Cate Downing and Bro. Slaton Carter who both served as LRBA Summer Interns in 2026.

In Christ, Bro. Bobby

Having the opportunity to serve as one of the Little River Baptist Association Interns this summer has truly been a blessing. The past 8 week have been full of opportunities to serve in multiple roles. This summer allowed me to serve in different Vacation Bible Schools and camps. Each of these opportunities allowed me to learn and love serving in diverse ministry and educational settings. The most impactful part of serving with Little River was how it got me connected with the community in Cadiz and a Christian community as a whole. Getting to serve alongside local churches in Trigg County, working at VBS, chaperoning, and helping lead camp, capturing and photographing Camp Cadiz, etc., helped me build meaningful connections and relationships and grew my relationship with Christ! I could go on with how thankful I am, but I am beyond blessed that the Lord gave me this opportunity.

***Thank you for everything,
Ella Cate Downing***

My time as intern for the Little River Baptist Association has been nothing below amazing! Thank you to the churches who allowed me to help with their ministries. From helping with VBS's, to serving as a chaperone at church camps, to even preaching on Sunday mornings, I have learned so many things that I will take with me in my future ministry! Thank you so much for having me as an intern and I can't wait to see what God does with the future of this association!
